

## THE PREZ SEZ

The Dakota Wood turners have a new president, vice president and member at large. I would like to congratulate Duey, Ron, and Alice and thank them for stepping forward. I've been an officer of the club in one form or another since its inception and would like to thank all the members for their support over the years. I hope I didn't make too many of the members unhappy. I know some were not on the same page and for this I have regrets.

Duey, Ron and the rest of the new E-board will take our club to new heights and I leave the E board knowing the club will be in good hands.

The January meeting will also be our Christmas party and I hope many will attend. The meeting will be the first weekend of the month, January 5<sup>th</sup>, 2008, so that we could have a place to eat. The Bismarck Eagles will be the spot and Dennis would like a firm head count if you haven't already responded. After our wood turners meeting, members are invited to my shop for the afternoon, if they need to place to hand out. My shop is north on Washington to Greenfield Lane, then west a couple of blocks. There is a rock with 'SCHWEITZERS' on it and the address is 410 Greenfield Lane. The shop is in the backyard; just follow the road on the east side of the house.

Hope to see everyone at the next meeting. I will be a wall flower in the back of the room. Stop and say hi. A final thank you to all that have helped with the club, and given myself the needed support to be president.

Keep the trees falling and the chips flowing.

Your Prez,

Pat the Retired Plumber
